## From **PRESIDENT'S DESK**

The term 'Education' encompasses more than just knowledge and knowing. It is a harmonious blend of academia, arts, sports, emotions, attitudes, creativity, nature and life itself! And in the world, we have built today, the one who is adept in all these areas is the one who succeeds

Our endeavor to excel and to succeed has penned a saga of succession in academic laurels and leadership. The ultimate touchstone of quality school education is the quality culture prevailing in the School. Today, school education stands at the crossroads of keeping pace with the emerging needs of humankind alongside fast changing trends. The vibrations of our campus invite you to the unique experience of quality learning in a multi-dimensional and participatory manner where the child is shaped by the expert faculty

Welcome to the passionate, compassionate learning culture!

*Dr. Binod Kumar Mishra*

What makes SANSKRITI special is the warm community, the fun & our vibrant heritage... and we got the Best Results too!

## From **DIRECTOR'S DESK**

"Education is a shared commitment between dedicated teachers, motivated students and enthusiastic parents with high expectations.

Our passion is to strive continuously to transform the young learner to a global responsible citizen. A dedicated team of faculty members and non-teaching staff form the backbone of our institutional machinery. Our educators understand the responsibility bequeathed upon them to give our society, citizens of tomorrow with critical but global outlook

In our curriculum the student is the primary focus and each child is involved in the learning process. We tailor the learning environment for our learners by updating our curriculum, customizing the pedagogy, motivating the students to dream high and prepare the students for life, groom them to face the challenges of tomorrow and encourage them to be socially relevant with passionate soul and an open mind

We encourage all parents to take an active role in their children's education. Great schools are the basic rights and our shared responsibilities. To all parents and families, "thank you" for being part of education system

*Mr. Rahul Mishra*

## Sanskriti is a Happier Place to be at

Childhood and happiness should go hand in hand. Alongside their intellectual abilities, at Sanskriti, we aim to cultivate our learners' emotionally. Yoga, meditation, vibrant learning spaces, movement during learning time, collaboration, and freedom of expression are all key factors that contribute to the mental and emotional well-being of learners. At SIS, our learners love to come to school and they love to learn.

*"Happy people are more creative, solve problems faster, and tend to be more mentally alert."*

## PROJECT - BASED LEARNING

We need to prepare our children for 21st century challenges. With technical expertise being taken over hugely by automation, soft skills will continue to be the highest rated asset. Therefore, it becomes a priority for the education system to retool itself to meet future employment requirements

PBL ensures children imbibe the very skills that will be required to make them successful in the real world. It also ensures they learn in ways that closely resemble how they will work in the future businesses and jobs of the future

## Application - Based Learning

SANSKRITI International School harnesses new technologies in its curriculum, taking the responsibility of creating responsible digital citizens. We believe that our students should be equipped with quality information that will open career avenues in the future. Using progressive technologies like Robotics we aim our students to Collaborate, research, inspect and solve real world problems. We offer learning kits like ROBOKIT using hands on teaching methodologies.

# HOLISTIC DEVELOPMENT

A child's education goes far beyond the traditional aesthetics of teaching and learning. It is only complete when it addresses the holistic needs of a child. SANSKRITI is inclined at creating responsible global citizen and lifelong learners.

## Dance

Dance is the language of the soul. We impart flexibility, strength and endurance in our students, to express themselves better. The curriculum includes composition and analysis of World dance studies & performances.

## Life Skill Programme

Through Life Skill Programme, we groom our students to be the leaders of tomorrow. Every child is taught to set trends through life skills that positively impact their lives & the lives of those around them.

## Clubs & Societies

The various clubs and societies like Nature Club, Dramatics Club, Adventure Club, Computer Club, G.K. Club, Publication Society, Literary Club, and Fine Art Club help develop interest in various areas.

## Music

Introducing the wider forms of music, this programme caters two aspects of music like composition, performance and critical analysis.

## Creative Writing & Public Speaking

Opportunities for creative writing and taking part in Debates, Recitation and Declamations, to improve rhetorical skills and eloquence in public speaking are provided.

## Visual Art

Through Arts, we amplify imagination and liberate the creative energy in each child. They are timely presented with a chance to showcase their abilities, and unlock their hidden talents.

# SPORTS & FITNESS

To be aerobically fit is the core of the entire human development; it plays a crucial role in the child's holistic upbringing. We encourage our learners to live an active and healthy lifestyle here at school and back home. Physical fitness at SANSKRITI focusses on the biomechanics and calisthenics needed for a child's growing body.
